

THE GOOD NEIGHBOR GUIDE

As a positive and contributing member of the off-campus community, Villanovans should keep in mind these following guidelines throughout the academic year...

VILLANOVA
UNIVERSITY

BE RESPECTFUL

- Take time to introduce yourself to those living around you and discuss mutual expectations for being a good neighbor.
- Build positive relationships with your neighbors, as this is an excellent way to enhance your own living experience.
- Consistently act responsibly and be thoughtful of those living around you.
- Mediate any concerns with neighbors in a civil and timely manner, and in person if possible.
- Abide by Villanova University's Code of Student Conduct, and respect all local and state laws.
- Ensure your cars are parked legally and in appropriate spots.

BE CONSIDERATE

- Dispose of trash in appropriate receptacles, including discarded furniture and large items; littering or leaving items outside is harmful to the community.
- Call your local township office to request and schedule bulk trash pick-up.
- Please be aware of trash/recycling pick-up days and be timely with putting away your receptacles.
- Recycle all paper, plastic, metal and glass.
- Always keep the areas outside of your residence clean and orderly.

BE MINDFUL

- Be highly-aware of your noise level. When outside, even “normal” conversations can be disruptive late at night or early in the morning.
- Understand that you are accountable for your guests’ actions and ensure they are respectful of surrounding property.
- Keep music and other noise at reasonable levels, especially after 9 PM.
- Refrain from gathering in large groups outdoors and when walking through the neighborhoods.
- Ask visitors to avoid using car horns while waiting to pick up passengers.
- Review the Radnor Township Noise Ordinance (radnor.com).

BE SAFE

- Stay aware of your surroundings, and keep windows, doors, and cars secured.
- Always practice safe drinking strategies, including avoiding excessive alcohol consumption while in the community and always stay with friends.
- Avoid walking through the neighborhoods while intoxicated.
- Never drink and drive. Take an Uber, Lyft, or taxi whenever possible.
- Avoid public intoxication while in the community and refrain from disorderly conduct, public urination, and other alcohol-related offenses that put yourself and others at risk.

HELPFUL RESOURCES

- **Villanova University Code of Student Conduct**
Go to **villanova.edu** and search “Code of Conduct”
- **Villanova University Shuttle Service Information**
Go to **villanova.edu** and search “Shuttle”
 - For real time location of the Villanova Shuttles, please download the “**Nova Safe**” app in the App Store or on Google play.
 - Shuttles run throughout the day and evening to and from campus

IMPORTANT CONTACTS

- In case of an emergency, please dial **911** immediately.
- **Radnor Township Police Department**
(610) 688-0503
- **Lower Merion Township Police Department**
(610) 649-1000
